what they did here  
rather, to be dedicated to  
finished work which they who follow  
have thus far so nobly advanced.  
other for us to be here dedicated to  
great task remaining before us — that  
these honored dead we take increased  
devotion to that cause for which they gave  
the last full measure of devotion — that  
we here highly resolve that these dead shall  
not have died in vain — that this nation,  
under God, shall have a new birth of free-
